Jim Steinman, Surf's Up

The waves are poundin' on the sand tonight
I want to take your hand and make it feel so right
I know I'm ready and I'll never be like this again
And the sky is trembling and the moon is pale
We're on the edge of forever and we're never gonna fail
I know you're ready and we're runnin' on the back of the wind

And my body is burnin' like a naked wire
I wanna turn on the juice, I wanna fall in the fire
I'm gonna drown in the ocean and the bottomless sea
I wanna give you what I'm hopin' you'll be givin' to me
And when the waves are poundin' on the sand tonight
I wanna take your hand and make it good and make it right
And now the sky is trembling and the moon is pale
We're on the edge of forever and we're never gonna fail no

How hard, how hard, how hard do I gotta try
Surf's up, surf's up
Surf's up, so am I
Surf's up, so am I

And my body is burnin' like a naked wire
I wanna turn on the juice, I wanna fall in the fire
I'm gonna drown in the ocean and the bottomless sea
I wanna give you what I'm hopin' you'll be givin' to me
And when the waves are poundin' on the sand tonight
I wanna take your hand and make it good and make it right
And now the sky is trembling, the moon is pale
We're on the edge of forever and we're never gonna fail

How hard, how hard, how hard do I gotta try (I wanna win your love)
Surf's up (I need you so bad), surf's up (I need you so bad)
Surf's up and so am I (I'm gonna give you some love)
Surf's up and so am I
And so am I
And so am I
and so am I
