

Jimi Blue, Best Damn Life

Yeah yeah, me and Hip-Hop we finally Dandy
I hip-hop 'cause it sounds like candy
Been doing this shit since I was a baby
You know I love it and so do the ladies
B-b-buzzin' the rhymes is what I do
without that my soul's ... you
You see the people around that sayin' 'maybe'
But they I need that's why I drive a Mercedes
I do what I want and when I wanna do it
I play hard and hit the ground runnin'
So sit tight cause here's what I do
I'm gonna rap for the shadies and sing for the ladies

I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
You gotta love it, you gotta love it

I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
I got the best damn life in the world, yeah
You gotta love it, you gotta love it

Yeah c'mon all the girls a watchin' me on the tv
they're endless cutie and they're waitin' to see me
I can't believe that this all happen to me
it's like a dream come true it's so hard to believe
J-jimi Blue is making a stutter and all the guys are wishin' they were my brothers
there's always people around that say 'Jimi'
They screamin' loud 'cause it's so hard to get near me
I got everything a man could need
this is what happens if you work till you bleed
You know I live to bring it all to you
I bleed and rap for the shadies and sing for the ladies

I got the best damn life in the world, yeah

You gotta love it, you gotta love it

I do what I want and when I wanna do it
I play hard and hit the ground runnin'
So sit tight cause here's what I do
