

# Jimi Blue, Like this

I have nothing against boybands,  
They can kiss my a##  
I like it like this, (JB, come on now)  
I like, to touch you when i kiss your lips.  
I like, to watch you when you shake your hips.  
I like, to get you on my dating list.  
You're not dismissed.  
I like it like this.

Mirror, Mirror on the wall  
Who is better than their all?  
Who is never bound to fall?  
Who is always standing tall?  
Sorry Guys, i did'nt even notice  
That you came into the showbiz.  
Better leave your girls at home,  
Or you all have to leave alone.

[Brigde]

This is, my show.  
Chicaz, listen: Don't go!  
What you're wishing; I Know!  
You get kisses, and more.  
Let me check your microphone (one, two)  
Before i take you home.  
Here's the Reason, the reason, the reason
