

Jimi Blue, Love You Better

One Night One Chance
Thats All We Need Jus To Make It Right
Babie I Don't Understand Why
U Wanna Be With Him
When He Only Makes You Cry
I See The Pain In Your Eyes
Baby I Can See That U Dying Inside
But If U Come With Me
Tonight Ill Be The Night
That We Never Forget (Get)

(Bridge)

Babie You And Me We Can Runaway
Find A Little Place We Can Hide away
He dosnt Care About You Anyway Anyway

(Chorus)

Coz Tonight Could Be Forever
Just You And I
Will Touch The Sky
And If You Say Will Be Together
I Promise You Babie You Wont Have To Cry
I Can Love You Better
I Can Love U Better
I Can Love You Better Than He Can
I Can Love You Better Than He Can

(Verse 2)

So Many Times He Let You Down
Tryna Be Playa
While He Fooled Around
He Dropped His Time I Picked It Up
So Im Gon Make It Shine
Like The Star You Are
If You Come With Me Baby
You,ll Go Far (Go Far)
Go Far (Go Far)
Go Far

One Night
One Chance
Thats All U Need To Make It Right
One Night
One Chance
One Night One Night
