

# Jimi Hendrix Experience, 1983....(A Merman I Should Turn To Be)

Hurray I awake from yesterday  
Alive but the war is here to stay  
So my love Catherina and me  
Decide to take our last walk through the noise to the sea  
Not to die but to be reborn  
Away from the lands so battered and torn  
Forever forever

Oh say can you see it's really such a mess  
Every inch of earth is a fighting nest  
Giant pencil and lipstick-tube shaped things  
Continue to rain and cause screamin' pain  
And the arctic stains from silver blue to bloody red  
As our feet find the sand  
And the sea is straight ahead  
Straight up ahead

Well it's too bad that our friends can't be with us today  
Well it's too bad  
The machine that we built  
Would never save us that's what they say  
That's why they ain't comin' with us today  
And they also said it's impossible  
For a man to live and breathe underwater  
Forever was a main complaint  
Yeah and they also threw this in my face they said  
Anyway you know good and well  
It would be beyond the will of God  
And the grace of the king  
Grace of the king  
Yeah

Ooo

So my darling and I make love in the sand  
To salute the last moment ever on dry land  
Our machine it has done its work played its part well  
Without a scratch on our body when we bid it farewell  
Starfish and giant foams greet us with a smile  
Before our heads go under we take our last look at the killing noise  
Of the out of style  
The out of style out of style oh yeah  
Ooo

So down and down and down and down we go  
Hurry my darlin' we mustn't be late  
For the show  
Neptune champion games to an aqua world is so my dear  
Right this way smiles a mermaid  
I can hear Atlantis full of cheer  
Atlantis full of cheer  
I can hear Atlantis full of cheer  
Oh yeah
