

# Jimi Hendrix, Long Hot Summer Night

Show us a long  
Long, long hot summer night  
As far as my eyes could see  
Yeah, yeah, yeah  
Well my heart was way down  
Cold cold winter stone  
Well my darlin' where can you be  
Where can you be baby  
Where can you be

There were three sugar walls  
And two candy cane windows  
But the silliest move welted all those inside  
Well everybody's on fire, but it's  
A snowin' in a cold blizzard

Where are you in this a hot cold summer?  
Where are you in this a hot cold summer?  
Where are you in this a hot cold summer?  
God, god, god

Around about this time the telephone  
Blew its horn across the room  
Scared little Annie  
Clean out of her mind  
Out of her mind

And grabbed little Annie from the sink just in time  
And the telephone just keeps on screamin'  
Yeah, yeah, yeah, yeah, yeah

"Hello," said my shaky voice

"Well, how you doing?"  
I started to stutter  
Ah, ah, can't you tell that I'm doin' fine  
Can't you tell I'm doin' fine  
It was my baby talkin'  
Way down across the border  
She says "I'm goin' to hurry to ya, I've been a fool  
And I'm tired of cryin'"  
Ah, ah  
Yeah

I said a long  
Long, hot summer night  
As far as my eyes could see  
As far as my eyes  
I could feel the heat comin' on  
As my baby's gettin' closer  
I'm so glad my baby's comin' to rescue me  
So glad my baby's comin' to rescue me  
My baby's comin' to rescue me  
Rescue  
Rescue
