

# Jimi Hendrix, Straight Ahead

Hello, my friend  
So happy to see you again  
I was so alone  
All by myself  
I just couldn't make it

Have you heard, baby  
What the winds blowing round  
Have you heard, baby  
A whole lot of peoples coming right on down

Communication, yeah  
Is coming on strong  
And don't give a damn, baby  
If your hair is short or long, huh

I said, get out of your grave (noo)  
Everybody is dancing in the street, hi!  
Do what you know, don't be slow  
You gotta practice what you preach  
'Cause it's time for you and me  
Come to face reality (it sounds like he says "fake reality")

Forget about the past, baby  
Things ain't what they used to be  
Keep on Straight Ahead  
Keep on Straight Ahead

Straight Ahead, baby  
Straight Ahead, baby

We got to stand side by side  
We got to stand together and organize  
They say power to the people,  
That's what they're screamin'  
Freedom of the soul  
Pass it on, pass it on to the young and old

You got to tell the children the truth  
They don't need a whole lot of lies  
Because one of these days, baby  
They'll be running things  
So when you give them love  
You better give it right  
Woman and child and man and wife  
The best love to have is the Love Of Life  
Pass it on baby

Pushing on Straight Ahead  
Straight Ahead, baby

Hello my friend  
It's so good to see you again  
Say now I've been all by my self  
I don't think I can make it alone  
I gotta keep on pushing ahead

Hi!!!  
I can make it alone  
I gotta keep on pushing ahead
