

Jimi Hendrix, We Gotta Live Together

"We'd like to say, we'd like you to clap your hands
just one more time, and sing along with us"

Haaa haaa haaa

The old house dog
Is waggin' his tail
Nobody loves him
He's dirty as hell
They put him in home sweet hell
Everyone now
Home sweet home
Home sweet home
Home sweet home
Got to be love beside ya
Home sweet home
That's all you gotta have love beside ya
Home sweet home
Yeah
Home sweet home
Home sweet home
Home sweet home
It's alright
Home sweet home
Yeah yeah
Home sweet home
Home
Home
Home
Home
Etc
Yeah
It's all
It's all
Yeah
Yeah
Yeah
Etc

We got to live together
Yeah
We got to live together
Yeah
We got to live together
Yeah
We got to live together
Etc.
