

# Jimi Jamison, I'm Always Here

Some people stand in the darkness  
Afraid to step into the light  
Some people need to help somebody  
On the edge of surrenders inside

Don't you worry,  
it's gonna be alright  
'cause I'm always ready  
I won't let you outta my sight

(I'll be ready) I'll be ready  
(Whenever you fear) oh don't you fear  
(I'll be ready)  
Forever and always, I'm always here

In us we all have the power  
But sometimes it's so hard to see  
And instinct is stronger than reason  
It's just human nature to me

Don't you worry,  
it's gonna be alright  
'cause I'm always ready  
I won't let you outta my sight

(I'll be ready) I'll be ready  
(Whenever you fear) oh don't you fear  
(I'll be ready)  
Forever and always, I'm always here

'cause I'm always ready  
I won't let you outta my sight

(I'll be ready) I'll be ready  
(Whenever you fear) oh don't you fear  
(I'll be ready)  
Forever and always, I'm always here  
Forever and always, I'm always here
