

Jimi Tenor, The Call Of The Wild

Summer is over baby
but I still feel the heat
warming my body
warming my soul
and when you lie next to me baby
smelling so sweet
sun seems to shine brighter
and dry the moist sheat

the call of the wild
is driving me crazy
bear with me baby
it wont take that long
the call of the wild
is driving me crazy
bear with me baby
I'll keep it together

our hearts try to synchronize
they groove with a new beat
that keeps me going
when I am alone

the call of the wild
the call of the wild
the call of the wild
the call of the wild is driving me crazy
