

Jimmie Dale Gilmore, Defying Gravity

I live on a big round ball.
I never do dream I may fall.
And even if one day I do,
Well I'll jump off and smile back at you.

I don't even know where we are.
They'll tell you we're circling a star.
Well I'll take their word, I don't know
But I'm dizzy so it may be so.

I'm riding a big round ball.
I never do dream I may fall.
And even the high must lay low
So when I do fall I'll be glad to go.

I live on a big round ball.
I never do dream I may fall.
And even if one day I do, Well I'll jump off and smile back at you.
