

# Jimmie's Chicken Shack, Inside

it's getting dark outside the best part of everyday  
will you come and take a walk with me in the pouring rain  
have no worries what tomorrow may bring  
just roll with the fool i am  
just hope i'm fine today  
just hope i'm fine today  
just hope i'm fine today  
hope i'm fine today

somewhere someone told me to say  
you only live once then your story ends  
and now i'm just finding  
the truth is only what we want to hear  
there's no one left to fool but myself  
i know i'll find a way  
you know i'll find a way  
you i know i'll find a way  
you i know i'll find a way  
inside you, inside you, inside you  
in side you, you, you, you bitch

believe in nothing  
still it's had enough to say  
whatever i want  
you know i'll just pretend  
and now your just finding  
if you used up everything you get from me  
that there's nothing left, nothing left

inside you  
well can we have a look inside  
what does it take to get inside you  
when can i cum my love inside, you  
you know i'll find a way  
you know i'll find a way  
you know i'll find a way  
you know i'll find a way, i'll find a way, i'll find a way  
inside you
