

# Jimmie's Chicken Shack, String Of Pearls

She wanna string of pearls  
All I got her was a necklace  
Made of flowers from the trash can  
She wanna make me pay for it  
Yeah while I'm at it guess I'll take another bath, man  
And the record's out  
Holdin' steady gaining on last place  
And in a moment's notice  
We'll be ready for the next new phase  
Another stupid craze  
She wanna string of pearls  
All I got her was a necklace  
Made of flowers from the trash can  
She's gonna make me pay for it  
I start to sing and cry and then  
It makes me laugh, man  
Yeah we've all got doubts  
Might not be winning but still in the race  
And in a moment's notice  
We'll be ready for her next new phase  
It might be hard to sell  
Still never in giving  
Have I given... So deep...oh, well  
Will you give it all to me when you're dead  
You can keep the scent on my pillow  
To settle your broken-heart and head  
Will you think of me when you die  
Holding steady  
Moment's notice  
Again she left with my heart in hand  
She says she hates me  
Yeah she's lied before  
Again it's time to play me  
Yeah it just adds up  
That same sad melodic score  
I wrote another one  
Does this one count  
And did cost as much as all the other ones  
So much more...  
She wanna string of pearls  
All I got her was a necklace  
Made of flowers from the trash can  
She wanna make me pay for it  
And while I'm at it guess I'll take  
Another bath man  
Yeah the record's out  
Holding steady gaining on last place  
And in a moment's notice  
We'll be ready for her next new phase  
So I state my case  
Would you want a string of pearls  
'Cause all I got you was a necklace  
Made of flowers, made of flowers from a trash can  
And she wanna string of pearls  
Ain't that enough, ma'am?  
I think it's worth so much more
