

# Jimmys Chicken Shack, 10 Miles

Who'll deny desire  
I want to feel what your feeling  
yeah I hope I'm ready  
pacing out the words  
I want you to feel what I'm feeling  
Though we're not the same  
In these eyes, wide,  
Your reflection penetrates

the depth of my spirit still  
Though its not very far  
I just can't escape from the  
feeling that I  
run ten miles a day
