

# Jimmies Chicken Shack, Bongjam

what  
lets do the bongjam

i love my friends  
let me tell you i love my friends  
and though my friends are broken, i love them anyway  
because you see, i am broken too, and i love myself like i love my broken friends  
its all good, we love each other, its the way it should be

i love my bong  
did i say i love my bong  
well i do love my bong  
and though my bong is broken like my friends  
i love it very much  
and i love when my broken friends fill my broken bong  
it makes the broken love i have for myself grow and grow

did i say i was the fool  
well i am quite a fool  
and i am fool-filled  
when my broken friends fill my broken bong im ful-filled  
im defintaly ful-filled  
and i cant fix my friends  
but i can fix my bong  
and they can fix me by filling my broken bong for fulfilling my broken self

its clogged  
its clogged  
its the bongjam  
its clogged

this thing isn't drawing at all man  
somebody should clean this thing
