Jimmies Chicken Shack, Paper Dolls

who's the captain of the ship i think it's sinking i know i know i don't know what i know what was i thinking

paper dolls here for you folding schools like malls that are all closing afraid to dance don't talk to strangers avoid romance read what the sign says

parental guidance is advised another one of us survives

blah, blah, blah, blah feels so good to be alive blah, blah, blah, blah my life was easier at five blah, blah, blah, blah feels so good to be alive blah, blah, blah, blah as for me i will get by what was i thinking

i can't make up my own mind can't even make my bed yeah i should clean up my act but first i'll clean up my head i'm lacking confidence i don't apply myself be sure check up on me to check yourself

'cause we're paper dolls here for you folding schools like malls that are all closing afraid to dance don't talk to strangers avoid romance read what the sign says

parental guidance is surprised another one of us survives

blah, blah, blah, blah feels so good to be alive blah, blah, blah, blah my life was easier at five

blah, blah, blah, blah feels so good to be alive blah, blah, blah, blah as for me i will get by

as bad as it is as bad as it is we'll get thru we'll get thru we'll get thru

cause we're paper dolls

here for you folding schools like malls that are all closing afraid to dance don't talk to strangers avoid romance read what the sign says

hey maryjane in certain places blows the pain right off our faces don't talk to dirt or catch a bullet for once was right just take that bullshit

blah, blah, blah, blah feels so good to be alive blah, blah, blah, blah my life was easier at five blah, blah, blah, blah feels so good to be alive blah, blah, blah, blah as for me i will get by blah blah blah as for me i will survive what was i thinking what was i thinking what was i thinking

growing up (what was i thinking) is getting old (what was i thinking) growing up (what was i thinking) is getting up (what was i thinking) thinking
