

Jimmies Chicken Shack, Quitter

Don't think you could care less
Unashamed and your not afraid to say,
What will come next
Get wasted get in bed (WOOOH)

I love giving it up
And you just can't get enough
I love giving it up
And you can make me say
I love giving it up
And you just can't get enough
So you can it, I'm the world's greatest
Quitter

Quitter

And you can stop on a dime
You can hold your own with the worst of them
Don't wanna be alone
All for one for once and for all

(Refrain)

And you can say it, I'm the worlds greatest (x4)
