Jimmy Barnes, Come Undone

Mine, immaculate dream made breath and skin I've been waiting for you Signed, with a home tattoo Happy birthday to you was created for you

(Can't ever keep from falling apart At the seams Can't I believe you're taking my heart To pieces)

Oh, it'll take a little time Might take a little crime To come undone now

(PRECHORUS)
We'll try to stay blind
To the hope and fear outside
Hey child, stay wilder than the wind
And blow me in to cry

(CHORUS)
Who do you need, who do you love
When you come undone
(Repeat)

(Verse 2)
Words, playing me deja vu
Like a radio tune I swear I've heard before
Chill, is it something real
Or the magic I'm feeding off your fingers

(Can't ever keep from falling apart At the seams Can I believe you're taking my heart To pieces)

Lost, in a snow filled sky, we'll make it alright To come undone now
