

# Jimmy Bondoc, Let Me Be The One

somebody told me you were leaving  
i didn't know  
somebody told me you're unhappy  
but it doesn't show  
somebody told me that you don't want me no more  
so your walkin out the door  
nobody told me you've been crying  
everynight  
nobody told me you were dying  
but didn't want to fight  
nobody told me that you fell out of love for me  
so im setting you free

[chorus]  
let me be the one to break it up  
so you won't have to make excuses  
we don't need to find a set up where  
someone wins and someone loses  
we just have to say our love was true  
but has now become a lie  
so i'm tellin you i love you one last time and goodbye

somebody told me you still love me  
i don't know why  
nobody told me that you only needed time to fly  
somebody told me that you want to come back  
when our love is real again

[chorus]

bridge:  
just turn around and walk away  
we don't have to live like this no, no  
but if you love me still then stay  
don't keep me waiting for that final kiss  
we could work together through this test  
or we could work through it apart  
i just need to get this of my chest  
that you will always have my heart  
let me be the one

[chorus]

Let me be the one..  
oohhhhh...
