

Jimmy Buffett, Biloxi

Down around Biloxi
Pretty girls are dancin' in the sea
They all look like sisters in the ocean
The boy will fill his pail with salty water
And the storms will blow from off towards New Orleans

Sun shines on Biloxi
Air is filled with vapors from the sea
Boy will dig a pool beside the ocean
He sees creatures from his dream underwater
And the sun will set from off towards New Orleans

Stars can see Biloxi
Stars can find their faces in the sea
We are walking down beside the ocean
We are splashing naked in the water
And the sky is red from off towards New Orleans
And the sky is red from off towards New Orleans

Down around Biloxi
Pretty girls are swimming in the sea
They all look like sisters in the ocean
The boy will fill his pail with salty water
And the storms will blow from off toward New Orleans
