

Jimmy Buffett, Dickhead

He ain't nothin' but a Dickhead.
He's been one all his life.
If he ever gets married
he'll be a Dickhead with a wife.
He's got no damned excuse.
God knows how he tries.
He'll be a fuckin' Dickhead until the day he dies.

He's got a pretty girlfriend
and he flirts behind her back.
He looks at other women,
tries to get them in the sack.
He tells her that he loves her,
then he doesn't call for days.
When it comes to bein' a Dickhead,
he's got a million ways.

He ain't nothin' but a Dickhead.
He's been one all his life.
If he ever gets married
he'll be a Dickhead with a wife.
He's got no damned excuse.
God knows how he tries.
He'll be a fuckin' Dickhead until the day he dies.

When he's out drivin' he's a Dickhead in his car.
When he's out drinkin' he's a Dickhead in the bar.
When he's at a party he's a Dickhead drinkin' beer.
He's got to be the winner of "Dickhead Of The Year".

He ain't nothin' but a Dickhead.
He's been one all his life.
If he ever gets married
he'll be a Dickhead with a wife.
He's got no damned excuse.
God knows how he tries.
He'll be a fuckin' Dickhead until the day he dies.

If he's got no job he's a Dickhead out of work.
If he's got no manners he's a Dickhead and a jerk.
If he's got no money he's a Dickhead with no class.
If he's got no brains he's a Dickhead and an ass.

He ain't nothin' but a Dickhead.
He's been one all his life.
If he ever gets married
he'll be a Dickhead with a wife.
He's got no damned excuse.
God knows how he tries.
He'll be a fuckin' Dickhead until the day he dies.
He'll be a fuckin' Dickhead until the day he dies.
