

# Jimmy Buffett, Domino College

(Jimmy Buffett, Dan Fogelberg)

Found myself a matchbook  
Beside some hotel bed  
Opened it up and looked inside  
And this is what it said

Get on back to school  
Domino college, back to school  
Boneyard full of knowledge  
Working vacation in a third world nation  
Back to school

Fly down to miami  
Get yourself a boat  
Fill it full of suntan oil  
And rent yourself a goat

Ain't no registration  
Ain't no student loan  
You may not learn to read or write  
But you will surely learn to roll them bones

Get on back to school  
Domino college, back to school  
Boneyard full of knowledge  
Working vacation in a third world nation  
Back to school

They don't rap your knuckles  
If you cut the class  
They just track you through the jungle boy  
Then they kick your ass

It's a different kind of domino theory  
They teach you down in Butler town  
If you lose you buy the booze  
And then the student body all falls down

They can't get back to school  
Domino college, back to school  
Fountain of knowledge  
Working vacation in a third world nation  
Back to school  
Get on back

Make your parents hate you  
Be a big disgrace  
Act just like a domino  
And fall on your face

You can't get back to school  
Domino college, back to school  
Fountain of knowledge  
There ain't no graduation from this kind of education  
Back to school  
Working vacation in a third world nation  
Back to school

[Spoken:]

Oh, Jan & Dean be true to your school.  
Big six, big six, whose got it?  
Goddamn Robert when you gonna play man,  
hey man, say, you know whose turn it is
