

Jimmy Buffett, Don't Bug Me

Don't Bug Me

By: Jimmy Buffett, Michael Utley, Jay Oliver

Don't bug Me
Don't mug me
I'm better left alone
Let me twirl
In my world
Out in the wild unknown

Night Crawl'
Free Fallin'
Just don't get in my way
Don't squish me
Or death wish me
That's all I have to say

I can spin a web
I can spin a tale
(I can spin a tale)
Leave me in the jungle
Take me to the town
Right side up or upside down

I'm fakey
Real Flakey
8 legs and one pea brain
So don't bug me
Don't mug me
Just try and act humane

I can cover tracks
And never leave a trail
(I don't leave a trail)
Leave me in the jungle
Take me to the town
Right side up or upside down

Don't bug me
Don't mug me
I'm better left alone
Let me twirl
In my world
Out in the wild unknown
Don't bug me
Don't mug me
That's all I have to say.
