

# Jimmy Buffett, Gravity Storm

Apple fall out of the tree and hit the ground  
Pretty soon we realize we're earthly bound  
Babies fall and babies cry in early years  
Mamas dust them off and wipe away the tears

[Chorus:]  
Ohhhhhhhh watch out for that gravity storm  
It don't give no warning signs  
Ohhhhhhhh watch out for that gravity storm  
Ohhoo

All your life you have to deal with ups and downs  
So listen to your heartstrings as you move around  
Don't forget to listen to the steady beat  
Don't forget to balance on your ready feet

[Chorus]

I will kkeep you warm  
Shelter in the storm  
All your life  
I well keep you warm  
Shelter from the storm  
All your life

Apple fall out of the tree and het the ground  
Pretty soon we realize we're earthly bound  
Babies fall and babies cry in early years  
Mamas dust them off and wipe away the tears

[Chorus]

I will keep you warm  
Shelter in the storm  
All your life  
I will keep you warm  
Shelter from the storm  
All your life
