

# Jimmy Buffett, Stranded On A Sandbar

I enjoy this life as a jester  
Seems to keep me moving around  
Like the wind that blows, tides that flow  
I have my ups and downs

All a part of this strange plan I'm sure  
Start a new chapter each day  
Honey, Love gets lost, time gets tossed  
`Cause we both got our own different ways

I feel I'm stranded on a sandbar  
Stuck in my tracks like a street car  
Playin' it for all that it's worth  
I'm just payin' for my sins on earth

Now I use to go crazy for days at a time  
Now I'm takin my time with my days  
Haven't found the answers like some that I know  
I'm just stuck in fairly nice maze

Climb to the top of the island tonight  
Sit beneath the cashew tree  
I want to count the stars, lights on the cars  
that are shinin' up and down on me

I feel like I'm stranded on a sandbar  
Baby, I'm stuck in my tracks like a street car  
Playin' it for all that it's worth  
I'm just payin' for my sins on earth

I feel like I'm stranded on a sandbar  
Sugar, I'm stuck in my tracks like a street car  
Playin' it for all that it's worth  
I'm just payin' for my sins on earth

I enjoy this life as a jester,  
Seems to keep me moving around
