

Jimmy Buffett, Travelin' Clean

You go to Fargo
We'll meet in Chicago
Travelin' light and travelin' clean
In my nine wheel blue and white travelin' machine
And I'm gone I'm movin' on yes I'm gone

No time to look back
We've crossed the last track
Travelin' free and travelin' wild
With my barefoot blue-eyed travelin' child
And I'm gone I'm movin' on yes I'm gone
Run away Queen
Travelin' clean

You tell your mother
That you love another
Runnin' with a free-born man
That asks more of you than your hand
And I'm gone I'm movin' on yes I'm gone
Run away Queen
Travelin' clean

You go to Fargo
We'll meet in Chicago
Travelin' light and travelin' clean
In my nine wheel blue and white travelin' machine
And I'm gone I'm movin' on yes I'm gone
Come away travelin' queen
