

Jimmy Buffett, Weather With You

(Neil Finn and Tim Finn)

Walking around the room singing
Stormy weather at 57 Mount Pleasant Street
Well its the same room but everything's different
You can fight the sleep but not the dream

Things aint cooking in my kitchen
Strange affliction wash over me
Julius Caesar and the roman empire
Couldn't conquer the blue sky

Well There's a small boat made of china
It's Goin nowhere on the mantelpiece
Do I lie like a loungeroom lizard
Or do I sing like a bird released

Everywhere you go
You always take the weather with you
Everywhere you go
You always take the weather with you
