

# Jimmy Clanton, Little Boy In Love

little boy in love  
how could it happen to me?

they say that love's a gamble  
a word that isn't true  
but darlin' i still love you no matter what they may do  
'til then i'll remain  
as they said  
little boy in love

i've tried my best to tell them  
it's hard to be alone  
but now i have my darlin'  
someday we'll build a home  
'til then i'll remain  
as they said  
little boy in love

little boy in love  
i hear it in my heart  
little boy in love  
they'll never keep us apart  
believe me

if they'll give us a chance  
we'll prove our love's sincere  
i'll shout it from a mountain  
so everyone can hear  
'til then i'll remain as they say  
a little boy in love

little boy in love  
i hear it in my heart  
little boy in love  
they'll never keep us apart  
believe me

if they'll give us a chance  
we'll prove our love's sincere  
i'll shout it from a mountain  
so everyone can hear  
'til then i'll remain  
as they said  
a little boy in love (a little boy in love)
