

Jimmy Dean, Are You From Dixie

Hello there neighbor how do you do
There's something I'd like to say of you
You're from my own land my sunny homeland tell me is it true

Are you from Dixie I said from Dixie
Where the fields of cotton beckon to me
Hello how do you feel I'm glad to see you
Here's the friends I waited to see
If you're from Alabama Tennessee or Caroline
Anyplace below that Mason Dixon line
Then you're from Dixie hurray for Dixie cause I'm from Dixie too

Are you from Dixie I said from Dixie...
