

Jimmy Dean, Be Honest With Me

Be honest with me dear whatever you do remember you're mine dear so always be true
Wherever you wander on land or on sea if you really love me be honest with me
My poor heart would break dear if you were untrue
Asleep or awake dear I'll dream about you
Oh you are my darling you're all that I see if you really love me be honest with me
Someday I'll return dear and make you my own
And how I will yearn dear when I'm all alone
I'll never forget you your sweet memory if you really love me be honest with me
If you really love me be honest with me
