Jimmy Dean, Be Honest With Me

If you really love me be honest with me

Be honest with me dear whatever you do remember you're mine dear so always be true Wherever you wander on land or on sea if you really love me be honest with me My poor heart would break dear if you were untrue Asleep or awake dear I'll dream about you Oh you are my darling you're all that I see if you really love me be honest with me Someday I'll return dear and make you my own And how I will yearn dear when I'm all alone I'll never forget you your sweet memory if you really love me be honest with me
