

Jimmy Dean, First Thing Ev'ry Morning

The first thing every morning and the last thing every night
I think of you and all the things I say and do
If only you were here to whisper sweet things to
I tell you how much I love you how I'm longing to hold you tight
The first thing every morning and the last thing every night
Oh I tell you how much I love you...
The very first thing every morning and the last thing every night
