

Jimmy Dean, I'll Never Stand In Your Way

If you found someone new who means more than me to you

I'll never stand in your way

If you feel that we must part don't let pity rule your heart

I'll never stand in your way

I love you much too much to ever lose you but what is to be will be and I'll obey

I'll be blue when you go but I'll never let it show and I'll never stand in your way
