

Jimmy Dean, I Was Just Walkin' Out The Door

I was just walkin' out the door it's too bad you didn't come before
I waited so long so long so long I won't have to wait anymore
How I cried for you day and night wanted letters that you didn't write
But now it's alright alright alright you won't have to write anymore
Not so long ago you will never know what this day to me would have been
It's all over now but darling anyhow it was so nice to see you again
Well it's almost a quarter of four sorry I can't stay anymore
I must be on my way you see it's my weddin' day and I was just walkin' out the door
I was just walkin' out the door
