

Jimmy Dean, Let The Rest Of The World Go By

With someone like you a pal so good and true
I'd like to leave it all behind and go and find
Some place that's known to God alone just a spot we could call our own

We'll find perfect peace where joys will never cease
Out there beneath the calmly skies
We'll build a sweet little nest somewhere out in the west
And let the rest of the world go by

(With someone like you a pal good and true
I'd like to leave it all behind and go and find)
Some place that's known to God alone just a spot we could call our own

We'll find perfect peace...
