

# Jimmy Dean, Life's Railway To Heaven

Life is like a mountain railroad with an engineer that's brave  
We must make the run successful from the cradle to the grave

Watch the curves the fields the tunnels do your duty never fail  
Keep your hand upon the throttle and your eye upon the rail

Blessed Saviour Thou must guide us till we reach that blissful shore  
Where the angels wait to join us in Thy praise forevermore

Blessed Saviour Thou must guide us...
