

Jimmy Dean, No One Will Ever Know

No one will ever know how much I love you although a million tears start to flow
I may cry myself to sleep but I'll wake up smiling
Oh I'll miss you but no one will ever know
I'll just tell them we grew tired of each other
And that our love has never meant to be
Oh I'll even make believe I never loved you
Then no one will ever know the truth but me
I'll just tell them we grew tired...
