Jimmy Dean, Nobody

When life seems full of clouds and rain and I am filled with not but pain Who soothes my thumpin' bumpin' brain nobody When winter come with snow and sleet me with hunger and cold feet Who says here's too bit more to eat nobody I ain't never done nothin' to nobody and I ain't never got nothin' from nobody no time And until I get some from somebody sometime I don't intend to do nothin' for nobody no time

Well I'm tyrin' hard and schemin' a plan to do the very best I can Who says look at that handsome man nobody Well all day long things go a mess and I go home to find some bliss Who's waitin' there with a lovin' kiss nobody I ain't never done nothin'...
Nobody no time
