

Jimmy Dean, One You Say Good Mornin' To

Mhm I'd like to be the one you say good mornin' to
Then I could spend my days seein' just how many ways
I could make your dreams come true
So if you're a looking for someone to travel through the world with you
I'd like to be the one you say good mornin' to

Oh I like the way you say hello when I see you walkin' down the street
That smile you leave behind lingers on my mind and makes my day complete
In fact I find it very easy to like most everything you do
And I'd like to be the one you say good mornin' to
I'd like to be the one you say good mornin' to...
Oh yeah I'd like to be the one you say good mornin' to good morning sunshine
