

Jimmy Dean, Same Old You

In my arms there's someone new I give my goodnight kisses to
But it's still the same old you in my heart
No other lips no other touch gets to me baby half as much
Cause it's still the same old you in my heart
I thought that I would find a newer truer love
But I might as well stop before I start
Although I try oh how I try to kiss your memory goodbye
It's still the same old you in my heart
I thought that I...
Yes it's still the same old you in my heart
