

Jimmy Dean, Singing My Song

Here's a song I love to sing it's about the girl that wears my ring
And even though I'm tempted I know she'll make sure that I get everything
Cause when I'm cold I know she's warm and she warm me in her arms
And when I'm sad she makes me glad and she's my shelter from the storm
She's my song when I feel like singing and she swings when I feel like swinging
I don't know what she's doin' right but it makes me come home at night
And when I'm home she makes sure I'm never alone
And that's why I keep singing my song
Yeah and when I'm home...
Singing my song
