

Jimmy Dean, Talk To Me Baby

Talk to me baby tell me what's on your mind please tell me baby if you'd be so kind
To tell me your problems and what I can do
To show you baby that I'm so in love with you
All yesterday's kisses still on your mind of a love that used to be
I know that my lips they're not his lips but they can be your lips
If you just hold to me
Just talk to me baby tell me what I can do
To show you baby that I'm so in love with you
(Tell me you love tell you care)
