

# Jimmy Eat World, Cautioners

The time I would spend with pictures I would not send.  
I watched you go from left to right.  
I followed you all night across my blinds.  
You'll change your mind come monday and turn your back on me.  
You'll take your steps away with hesitation.  
Take your steps away from me.  
I'm making my peace, making it with distance.  
Maybe that's a big mistake.  
You know I'm thinking of you.  
I miss you.  
You'll change your mind come monday and turn your back on me.  
You'll take your steps away with hesitation.  
You'll take your steps away from me.  
You'll change your mind come monday and turn your back on me.  
Take your steps away with hesitation.  
Take your steps away from me.
