

Jimmy Eat World, In The Middle

hey, dont write your self off yet
its only in your head you feel left out
or looked down on
just try your best
try everything you can
and dont you worry what they tell themselves
when your away
it just takes some time
little girl your in the middle
of the ride
everything(everything) will be just fine
everything(everything) will be alright (alright)
hey, you know they're all the same.
you know you're doing better on your own, so don't buy in.
live right now.
yeah, just be yourself.
it doesn't matter if its good enough, for someone else.
It just takes some time, little girl you're in the middle of the ride
everything (everything) will be just fine,
everything (everything) will be alright (alright)
(repeat)
(instrumental solo)
hey,dont write yourself off yet.
its only in your head you feel left out
or looked down on.
just do your best, do everything you can.
and don't you worry what the bitter hearts are gonna say.
It just takes some time, little girl you're in the middle of the ride.
everything (everything) will be just fine,
everything (everything) will be alright (alright)
(repeat)
