

# Jimmy Eat World, Jenny

Jen, don't be scared, no don't be shy  
You used to do this all the time  
You know it, Jen  
Jen, we could be happy now  
So jet across the coast and country

Jen, and sometimes Jennifer  
You think for too long then your chance is gone  
The choice we're meant to make  
Is one we'll never take  
All you have to do is say

Jen, no don't be scared, don't be shy  
You know you used to do this all the time  
Yeah, yeah, you know it Jen  
It's you and me  
What could that mean?  
You can't pretend we're only friends then walk away

Jen, I think you're tryin just a little hard  
Acting like something that you're not  
Jen, I wanna make you feel the way you should  
You have to let things go to keep them close  
What we do today  
Already has an end  
It's anything but a mistake

Jen, don't be scared no, don't be shy  
We used to do this all the time  
yeah, yeah, you know it Jen  
it's you and me what could that mean?  
We can't pretend we're only friends  
then walk away.

No one's looking now  
Take a chance come now  
You could do anything you want.

Jen, put your arms around someone soft  
Take it as it comes, trust your heart  
Trust me, you know it Jen.

Put your arms around someone soft  
Take it as it comes, trust your heart  
Trust me, you know it Jen.

Put your arms around someone soft  
Take it as it comes, trust your heart  
Trust me, trust you heart, trust me  
you know it Jen.
