

Jimmy Eat World, Lucky Denver Mint

This time it's on my own.
Minutes from somewhere else.
Somewhere I made a wish with Lucky Denver Mint.
Hurry go on ahead.
Good things won't let you wait.
I'll catch up when we get home.
At home I'll leave.
A dollar under water keeps on dreaming for me.
You're not bigger than this, not better.
Why can't you learn.
