

# Jimmy Eat World, The Middle

Hey, don't write yourself off yet  
It's only in your head you feel left out or  
looked down on.  
Just try your best, try everything you can.  
And don't you worry what they tell themselves when you're away.

[Chorus]  
It just takes some time, little girl you're in the middle of the ride.  
Everything (everything) will be just fine, everything (everything) will be alright (alright).

Hey, you know they're all the same.  
You know you're doing better on your own, so don't buy in.  
Live right now.  
Yeah, just be yourself.  
It doesn't matter if it's good enough for someone else.

[Chorus x2]  
It just takes some time, little girl you're in the middle of the ride.  
Everything (everything) will be just fine, everything (everything) will be alright (alright).

Hey, don't write yourself off yet.  
It's only in your head you feel left out or  
looked down on.  
Just do your best, do everything you can.  
And don't you worry what the bitter hearts are gonna say.

[Chorus x2]  
It just takes some time, little girl you're in the middle of the ride.  
Everything (everything) will be just fine, everything (everything) will be alright (alright).
