

Jimmy Fallon, Hammertime

Spoken:

But I realized that you could sing, you could sing any 80's song over "You Can't Touch This". Uh, listen:

"You Can't Touch This" playing in background*

Don't turn around, oh, uh oh
Der Kommissar's in town, oh oh oh

I heard you on the wireless back in '52
Oh-a oh, what did you tell them
Video killed the radio star

I wanna rock right now
I'm Rob Base and I came to get down
I'm not internationally know
But I'm known to rock a microphone, because

You can dance if you want to
You can leave your friends behind
'Cause your friends don't dance and if they don't dance
Then they're no friends of mine, safety!

Take on me, take on me
Take me on, take on me
I'll be gone, take...Hammertime

Oh, I, I just died in your arms tonight
Must have been something ya said

I wore my sunglasses at night
So I can, so I can

I always feel like, somebody's watching me

Together for ever and ever to part
Together for ever
What Have I, What have I, what have I done to deserve this?
Poor old Johnny Ray
Sounded so sad upon the radio
And a sid and sad and thunder

C'mon Eileen, too-loo rah-yeah
C'mon Eileen, too-loo rah-yeah
Too-rah too-rah loo-rah
Oh, Eileen
C'mon Eileen too-loo rah-yeah
C'mon Eileen too-loo rah-yeah
Too-rah too-rah loo-rah
And sing it again
I said, too-rah loo-rah too-rah loo-rah yeah
