

# Jimmy Fallon, Road Rage

GET IN THE CAR!

Road rage... my knuckles are white, and my face is bright red,  
Road rage... doin 65 on a suped up moped.  
Road rage... is that you that gave me the finger,  
Road rage... how come you won't you turn off your blinker.

You shouldn't drive like that!  
I've got a baseball bat!  
You're gonna get it, you're gonna get it!  
Roll down your window and see  
There's a psycho in your rear view mirror.. IT'S ME!

Road rage... if honkin' my horn don't get your attention,  
Road rage... i'll stick my fist up your ass like my name was Jim Henson.

My blood is boilin'!  
Your car's annoying!  
I'm gonna get ya! I'm gonna get ya!  
Don't flash your highbeams at me,  
You wouldn't like it when i'm angry, you see?  
I've got the road rage!!

Ba ba ba ba ba ba ba ba ba  
Ba ba ba ba ba ba ba ba baaaa

What's that? I'll step on my gas I'll pass your ass  
Gonna check you out while you do your hair  
You're driving around like you just don't care  
I got the road ra-a-a-a-age!

So, chill! Get off my grill  
You drive too fast, I'll make you crash!
