

Jimmy Fallon, Snowball

Snow Day
school's closed and i can't wait
go outside, and I just might get into a snow ball fight.

snowball, snowball, snowball fight!
snowball, snowball, snowball fight!
snowball, snowball, snowball fight!
snowball, snowball, snowball fight!

I ran.
Jumped and tackled your snowman.
Turned around and didn't see fifteen snowballs coming at me.

snowball, snowball, snowball fight!
snowball, snowball, snowball fight!
snowball, snowball, snowball fight!
snowball, snowball, snowball fight!

moon boots
and a hand-me-down snowsuit
snot is dripping from my nose
my lips are chapped and my cocoa froze
and i get low
man, i can see you through your window
sneak attack in a field
use your toboggan as a shield!

snowball, snowball, snowball fight!
snowball, snowball, snowball fight!
snowball, snowball, snowball fight!
snowball, snowball, snowball fight!

snow! ball! fight, fight, fight, fight!
snow! ball! fight, fight, fight, fight!
snow! ball! fight, fight, fight, fight!

snow! ball! snowball fight!
